135 William T. Morrissey Blvd, Boston, MA

Please join GBC ASSE for a technical meeting presentation and Plant Tour at The Boston Globe.

Topics: Safety introduction n the programs at the Globe.
Tour of The Boston Globe

Speaker: Anthony R. Schiavi, MBA, PE,CSP, ARM

Anthony Schiavi is Director, Safety and Environmental Affairs for The Boston Globe. He is responsible for the safety, environmental and worker's compensation programs in this manufacturing operation. The company is unionized with over 2,200 employees. He is responsible for overseeing the safety and environmental activities such as safety audits, safety training, compliance and environmental programs. He has reduced their worker's compensation costs by millions of dollars for a number of years.

Anthony has over 39 years of experience in safety, environmental and risk management. He has held positions at various companies including Johnson and Higgins, Ebasco, and The Daily News. He is a professional member of the ASSE and is active in the ASSE . He was also an adjunct professor at The College of Insurance (St. John's University) in risk management graduate program.
